Ibile Traditional Mortgage System

Affordable Home ownership Made Easy for Nigerians in the Diaspora and at Home

The Ibile Traditional Mortgage System is a groundbreaking rent-to-own housing scheme designed to make property ownership affordable, accessible, and stress-free for Nigerians both locally and abroad.
This initiative breaks the traditional financial barriers to real estate ownership by offering single-digit interest rates (just 9.9% annually) and flexible tenure of up to 5 years. It's home financing the Nigerian way; simple, transparent, and people-focused.

Key Features of the Ibile Traditional Mortgage System

- ☑ Low Entry Barrier: Secure your property with a minimum of 10% down payment.
- ☑ Allocation: At 30% payment, you get your housing allocation.
- ☑ Move-in Ready: Pay 50% and move in immediately.
- ☑ Flexible Tenure: Spread remaining 50% over 5 years at 9.9% annual surcharge.
- ☑ No Hidden Charges: Transparent, easy-to-understand pricing.
- ☑ Security & Comfort: Located in fully gated and secure estates.

Our Purpose

1

Bridge Nigeria's housing gap through 10,000 high-quality housing units

2

Empower Nigerians in the diaspora to own property in Nigeria through a **secure, transparent, and government-backed** process.

3

Offer **affordable mortgage options** with **single-digit interest rates (not more than 9.9%)** and flexible **tenors of up to 5 years.**

4

Combat housing fraud and restore trust in Nigeria's real estate sector through transparency and federal support.

Ibile Traditional Mortgage System

This initiative represents more than housing—it is a transformational socio-economic movement that empowers Nigerians with rent-to-own opportunities and a flexible home acquisition structure underpinned by integrity, government oversight, and innovation.
